## Back Pain?

Is there anyone among us, who is not depended on a car for our mobility? Or is there any one, who is not spending a few hours sitting in front of their computers? In reality, there are many among us, whose livelihood is depended on driving around for hours or working on a computer for not so short duration. In these circumstances, if we do not provide adequate support for our back, it can lead to discomfort or pain. One easy step to prevent a potential problem is to use the correct back support in the vehicle or on the chair one is accustomed to use at work or leisure. In some cases,

## Nominate your mate

Nominations for the 2016 Hills Australia Day Awards are now open.

The awards recognise the outstanding service of an individual or community group and are open to all Hills residents.

Awards are given in each of the following categories:

- Citizen of the year award
- Young citizen of the year award
- Senior citizen of the year award
- Community project/event of the year award

Hills Mayor, Dr Michelle Byrne, said the awards are a great way to recognise the hard work and commitment demonstrated by members of our community that often goes unnoticed.

“The Hills is made up of many people who work tirelessly to help improve the lives of those living within our community, this work often goes unrecognised. The

Australia Day Awards gives these community members a chance to be recognised,” Mayor Byrne said.

“I would encourage Hills residents to consider those who have made a difference in our community this year and take the time to nominate them for an Australia Day Award.”

Last year’s winner Bev Jordan was awarded Citizen of the Year for her valuable contributions to local journalism, cancer research – through her involvement in the Hills Relay for Life, Christmas in The Hills, Centenary of ANZAC, Guide Dogs NSW and for mentoring students at Crestwood High School.

Take the time to nominate your mate, mentor or someone who you think is deserving of recognition.

It’s easy to nominate – visit [www.thehills.nsw.gov.au](http://www.thehills.nsw.gov.au), search for ‘Australia Day Award Nominations’ and complete the simple online form. Nominations close Friday 11 December.

## POLICE REPORT

**Don't drive if you're tipsy, buzzed or Blitzen.**  
Get a sober ride or call a cab.

**Help us to make Roads in the Hawkesbury safer over the Christmas period.**

Well, we all know how it goes. You didn't mean to drink, but one thing led to another and now you're probably over the limit.

Still thinking of driving home? Think again. Apart from the fact that could end in disaster, the number of mobile RBT out there means you need a Plan B!

Be Safe this holiday season and plan your night out! If you plan to drink then plan NOT to drive!

### CHRISTMAS TREE SAFETY

Did you go for the real Xmas tree this year? If you did then there are some important safety tips that you need before you hook up the lights.

Each year, Firefighters attend several house fires where faulty Xmas lights or overloaded powerboards catch fire and set fire to the tree. This year we are aiming for zero call outs to fires involving Xmas decorations and trees.

Please remember that your freshly cut Xmas tree requires water over the festive season to prevent it from drying out and so that it will stay nice and green. You could put it into a pot full of soil and water it every day if it is outside or place your tree into a tree holder that can be filled with water.

So if you have a faulty powerboard or faulty Xmas lights then it is a lot harder for a fire to take hold if the tree is fresh and green.

## News From Wisemans Ferry Community Men's Shed

It is a very exciting time of the year with so many things happening and the Men's Shed is no exception! We are thrilled to announce that our DA to Hornsby Council to build our own shed at the Wisemans Ferry Bowling Club has been approved! Talk about a great Christmas present! Our members are all so excited and are all visualising and planning how our shed will look and operate.

We have a few people to thank for helping us to get this far. First we would like to thank the Wisemans Ferry Bowling Club who have been so supportive and always believed in the worthwhile good of our project. They have kindly agreed to let us build on a plot of ground at the club which is just amazing. This means we will be in the

hub of the village of Wisemans Ferry where we will be visible and can support the local school and other community groups in the area. We will also be more accessible, helping to grow our membership, encouraging men to look after the health and wellbeing of themselves and others while also enjoying each other's company.

To Simon Evans of Hornsby Council, thank you for your correspondence and assistance in seeing the DA through. You have addressed any issues we have had promptly and courteously. And to Peter Curtis of Mole End Pty Ltd. Peter has been assisting us with a lot of the legal things, arranging surveyors, drawing up plans and negotiating with council. Peter has put a lot of hours into getting the DA ready to present to council and is continuing with the next steps of our Construction Certificate.

We truly appreciate your work Peter.

We would also like to acknowledge the work the members put in each week. They have not had much time yet for many personal projects as they have been busy making items to sell at the local markets to help raise much needed funds to build our shed. This will be ongoing for some time as we start to build and fit out the shed but will be worth it in the end. We can't wait to see the final product.

There would be none more excited amongst us than Adrian and Annette. They can finally see a light at the end of the tunnel and will soon be able to reclaim their home. They must have felt we were never going to leave. The Men's Shed genuinely appreciate the sacrifice these two have made in support of the cause.

A few of the members visited the fellas at The Hills Men's Shed at Castle Hill last week. It was terrific being able to see how other sheds operate. They are a great bunch of blokes from all walks of life and they showed us around and gave us some advice for assistance in running our shed. We also came away with a few bits and pieces that they were able to spare. So thank you to Dave, Bill and the Boys for your hospitality.

The Men's Shed operates each Tuesday 9.30am - 3.30pm at 2811 River Road, Wisemans Ferry. You can contact us by phone 0448833781 (Adrian) or email [wfcms2775@gmail.com](mailto:wfcms2775@gmail.com).

## Why Mulch, Which Mulch

by Laura Rittenhouse

[www.laurarittenhouse.com](http://www.laurarittenhouse.com)

There's no denying the value of mulch in a garden, it suppresses weeds, holds in water, keeps hot sun (or cold frost) off roots and deters cats from using freshly dug beds as a litter box. I understand how great it is, I just don't relish adding "spread mulch" to my already crowded gardening to-do list. Still, it must be done. The only question is, which type of mulch is best?

Mulch comes in many forms; below are those I've used in order of preference - least to most.

### 1) Store-bought mulch.

This is easy to use, comes in a variety that will satisfy any need and generally contains no viable seeds. Notice I said "generally". We all have our stories of unwanted seedlings magically appearing in a recently-mulched garden bed.

### 2) Homemade from my mulcher.

I grind up garden waste to spread on my garden beds. This is cheap, uses up prunings and breaks down well. Since I'm not very religious about what I mulch, it also has the disadvantage of propagating weeds. My fault, not the mulch's.

**3) Compost.** This doesn't last long but works especially well on new seedlings and enriches the soil.

**4) Living mulch.** My hands-down favourite. This is any evergreen spreading plant that covers the soil without overrunning other plants. Examples from my garden include: strawberries, violets and baby sun rose (a succulent). The options are limitless. There's one for almost every situation. Almost. Unfortunately living mulch doesn't work around plants, like citrus, that prefer their roots free from competition. In those situations you have no choice but to use one of the dead mulches, but elsewhere, why not try planting rather than mulching?

The garden club is taking a summer hiatus but we'll be back in 2016. Until then, happy holidays and happy gardening.

AUSTRALIAN MADE LOUNGES

## OVER A GLASS OF AUSTRALIAN LAGER by Trevor Patrick

Richly coloured sandstone cliffs are a great sight across the river as you sit on the verandah of Wiseman's Inn Hotel. This is a majestic location where the Hawkesbury River is joined by the Macdonald River and bends eastward towards the ocean. Early settlers built their farms on the fertile river flats and used the river as their link to send produce to the Sydney settlement. The construction of the convict road linking Sydney and the Hunter Valley needed food provisions for the workers and Solomon Wiseman seized the opportunity by selling meat and vegetables to the road gangs and also charging a fee to ferry people and farm animals across the river. His paddock on the southern shore provided a secure holding area and the necessary water hole for cattle and sheep. The ferry crossing is the oldest

in Australia, having operated continuously since 1827, for 24 hours a day.

The Inn is the museum of the area with displays throughout the building. The large Moreton Bay Fig trees at the front provide shelter from the summer heat and also fruit for the many birds that live on the branches.

The bird life along the river edge is a delight to witness. The superb blue wren moves swiftly through the reeds; the crested pigeon steadily pecks its way amongst the grass of the golf links; the magpie constantly searches for food.

Make plans to go to Wisemans Ferry along Old Northern Road to enjoy the benefits of relaxing in a beautiful haven, under an hour's drive from busy suburbia.

### AUSSIE PUMPS

#### AUSSIE FIRE SAFE

Aussie Pump training course is now available for plumbers installing bushfire protection systems.

Firefighting authorities around the country are warning of a potential catastrophic fire season! Warnings are based on the deepening El Nino effect and unseasonably high rainfall over summer that have put key east coast areas and southern states in danger of potentially the worst fires in decades!

Australian Pump Industries, one of Australia's leading pump manufacturers is working with plumbers who install reticulation systems as part of their 'Aussie Fire Safe' program. The package it includes a wide range of initiatives to educate

the community to defend property, crops, livestock and human lives.

Aussie Pumps run a free training course to teach plumbers how to match pumps to customer applications. Selling a fire pump with sufficient flow at the end of a fire hose or that provides enough pressure for a reticulation system is not rocket science. The Aussie 'Pumpology' course and Aussie Survival Plan cover the key pump basics that will give a tradesman the knowledge to select a suitable pump for customers with confidence.

The Aussie Fire Chief has been lauded internationally and is regarded as being the world's best lightweight portable fire pump. It is the only product of its kind in the world that comes with a five

year warranty, a sure sign to the user that the Company not only believes in the product but stands behind it 100%!

For further information on the Aussie Fire Safe program is available from Australian Pump Industries, 02 8865 3500, and online [www.aussiepumps.com.au](http://www.aussiepumps.com.au).

# LOCAL POLITICIANS SAY

**THROUGH STATE MP'S EYES** by Ray Williams, Member for Castle Hill

## JOIN THE HILLS FOOTBALL FAMILY IN 2016

I'm sure the soccer-loving families of the 'Hills' will be thrilled with the announcement of our very own Sydney Hills Football Association! Families will now be able to register in a local association, meaning residents will spend more time closer to home with their families rather than on the road. Congratulations to the **Rouse Hill Rangers** and **Kellyville United FC** - two new local soccer clubs that will be taking registrations for next season. Other established clubs such as Castle Hill RSL Rockets, Baulkham Hills FC, Castle Hill United FC, Hills Grammar, Hills Knights FC, Kellyville United FC, Maroota Football Club, North Rocks Soccer Club, North West Football Club, Norwest Soccer (Cougars), who have decades of experience will also be happy to hear from interested parents wishing to register their children for the next winter season. Volunteers are the backbone of our community and I thank the outstanding commitment and dedication of all those people who have made Sydney Hills Football Association possible. SHFA expects to have 10,000 players when it begins competition in April 2016.

Registrations are now open, go to:  
<http://sydneyhillsfootball.com.au/>

## CASTLE HILL PLAYERS – OUR BEST KEPT SECRET

One of the best kept secrets in the 'Hills' is the Castle Hill Players who perform at the Pavilion Theatre in Castle Hill Showground. The Castle Hill Players have been performing continuously here since 1966 providing quality drama, comedy and occasionally musical performances for local audiences. The Pavilion Theatre is a venue which boasts raked seating, air conditioning, carpeting, good acoustics and parking virtually at the door. The venue also boasts computerised sound and light systems, a hearing loop for those needing it, a facility for wheelchair access, free tea, coffee or juice at interval and a bar which operates Friday and Saturday nights to enhance the entertainment experience for patrons. Productions over the last decade have included *Anne of Green Gables*, *Lend Me a Tenor*, *Nunsense*, *Pride and Prejudice*, *The Importance of Being Earnest*, *The Crucible*, *Steaming*, *The 39 Steps* and *Don Quixote* to name just a few. Each year the players present six plays which run for 4 weeks. The 2016 season kicks off on February 5 with Ken Ludwig's stage adaption of *Treasure Island* by Robert Louis Stephenson. It is a rollicking adventure suitable for the whole family. Come and see one of these amazing shows and find out what you've been missing.

For subscriptions, ticket bookings or more information go to [www.paviliontheatre.org.au](http://www.paviliontheatre.org.au). Phone bookings and subscriptions (02) 96342929

*P.S. Are you the next budding Hugh Jackman?? Have you ever thought about performing*

*Ben Freeman as Sancho and Stephen Snars as Don Quixote*

*or being involved backstage in a theatrical production??? Auditions are open to the public and are advertised on the website. Seeing a show and coming to an audition is a great place to start.*

Possum is now looking for his FOREVER home. If you are looking for a small dog, full of fun, character, loving and adorable look no further than Possum. Possum is a 7 year old and he is heaps of fun. Possum is desexed, microchipped, registered and his injections are up to date till mid December. He has been wormed Possum is just full of fun. He loves everyone. He is full of character and will always have you laughing at his antics. Possum would make a great family dog but being part Dachshund he would be best to go to someone that understands he needs to be lifted off lounges, beds etc to protect his back. Possum is house trained but so far we have not managed to teach him to use the doggy door but he has only been here a week. He is full of adventure and loves exploring the garden. He is dog friendly and is enjoying following my two dogs around. He is very food oriented and eats well. He walks well on a lead. Possum loves playing ball and also likes to carry around the house his squeaky toy. He sleeps well all night. He loves snuggling up as close to you on the lounge, often taps your hand if you stop patting him. If you are looking for a little dog, a dog full of fun, please consider Possum. We think he is just adorable.

## Why advertise in the local TV guide?

- Over 10,000 magazines are picked up by local consumers by choice from stands in local shopping centres, clubs and petrol stations.
- The TV guide is eagerly sought after and in high demand with our pick up rate constantly exceeding 99%.
- A full page ad costs less than printing 10,000 flyers and distribution is free. Rather than being seen as junk mail, it is picked up to be viewed daily.
- As a TV Guide, your ad will be seen again and again over the 16 day period over which the magazine is designed to be kept.
- Value for money, our display advertisements cost less than half of the average cost of other local publications which are viewed once only.
- Local readers support the local advertisers and appreciate and support a local free TV guide.

To enquire or place an ad please email [advertise@hillstohawkesbury.com.au](mailto:advertise@hillstohawkesbury.com.au) for further details or call Anna Fraser on 0499 040 726 or the office 1300 616 614

## CHRISTMAS TREES DECEMBER 1959

*This is the final story for the year as I will be away at the time of publication and will not be back until sometime in January.*

This little story has been sent in by Lisa Meuffels, a reader from Richmond

"Our family of four had moved to Londonderry from Warners Bay. Shortly after, Nick and Dougie, our neighbours moved in next door. They brought with them so many pot plants containing young Christmas trees to be planted on the property. The trees did very well and were a local showpiece, but poor Nick got seriously ill, so Nick and Dougie sold the property and moved to Richmond.

A builder bought Nick's home at Londonderry and built a two story house on the property which he then sold to a retired couple who were not interested in Christmas trees but were interested in horses and had a race track built on the edge of the 10 acre block of land although they still had Christmas trees growing there also. They were interested in selling Christmas Trees if anyone wanted one.

After lunch each Friday our neighbours would go into Richmond shopping. On one particular Friday after they had gone into town to do their shopping there was a knock on my door. A truck was parked outside my neighbour's home and the driver of the truck was trying to contact my neighbours. I told the driver that the neighbours should be home soon. After waiting for more than thirty minutes, the driver then said that his boss had told him to come back with a Christmas tree as there was to be a party for children that night and would I sell him one. I said "No, but you could go down the back and get one". Thinking that the neighbours would

not see him taking one should they come home. The driver drove the truck down to the back of the property and got a large Christmas tree. With the heavy tree on the back of the truck the driver then proceeded to drive across a meadow which was soft after heavy rain. The truck got bogged in the soft earth and the more the driver tried to move it forward the deeper the truck sank into the ground.

I thought that I would get some big blocks of wood from our woodshed to put under the wheels to assist in giving the truck a little more traction and soon it was free and the driver drove it away.

It was not long after that a taxi pulled up and Irene, my neighbour came in to see me. She looked surprised to see me with my clothes full of mud. I told her that "I had been digging for Gold" I don't think that she believed me however. She came inside with me and wanted to cook our dinner as my husband was due home soon.

After Irene left, I told my husband all that had happened that day and told him of the big muddy hole in his beloved meadow. Thankfully he understood.

Sometime later my neighbours moved away and new neighbours moved in who had cows and did not want the Christmas trees. A bulldozer was used to push all of Nick's Christmas trees down."

I WISH TO EXTEND SEASONS GREETINGS TO ALL READERS. I HOPE AND WISH YOU ALL A JOYOUS CHRISTMAS AND I WILL BE BACK IN THE NEW YEAR WITH MORE MEMORIES TO SHARE IN THE MEAN TIME TAKE CARE, ENJOY YOURSELVES BUT PLEASE DO NOT DRINK AND DRIVE AS WE WOULD LIKE TO SEE YOU ALL SURVIVE.
